Volume 25, Issue 1

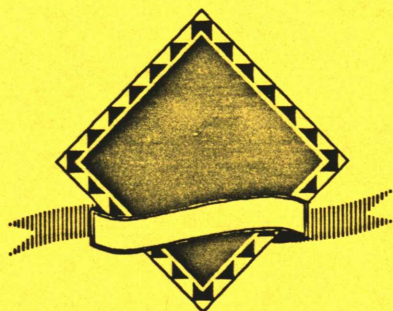

Week of August 28, 1995

FROM THE DEAN'S OFFICE:

WELCOME BACK to all students, faculty, and staff--and a special **WELCOME** to all who are new to the Doheny Campus. We are very glad you are with us!

I hope to meet each and every one of you this semester, and I urge you to come by and visit me in Building #10 when you have a moment in your busy schedules. If I can assist you or help to make this a better year for you, I am eager to answer your questions, hear your suggestions, and talk about your concerns. All of us--administrators, faculty, and staff--are here to help you make your college experience successful, productive...and *fun!*

Sister Kathleen Kelly, Dean

The theme for the 1995-96 academic year is **"MISSION: EXCELLENCE."** As educators we are dedicated to providing you with a quality education that will allow you to achieve excellence in your chosen field. We are all increasingly aware of the importance of connecting and communicating with each other, sharing new ideas and experiences, new ways of approaching learning so that you come to understand how the disciplines are inter-related and how you can transfer the knowledge learned in one course to other courses. Being

resources for one another, sharing our expertise, ideas, successes, and failures will move us closer toward accomplishing our mission of excellence.

Have a Wonderful Year!

Dear Doheny Students:

As you are aware, we are in the process of seeking approval for a library-learning center and academic building project on the Doheny Campus. We were required by the City of Los Angeles to prepare a complete Environmental Impact Report (EIR); this and other City planning issues have caused us over a one-year delay in the building of our desperately-needed library.

We need your support for this project and would be immensely grateful if you would write a letter by **October 2** in our behalf. *We also hope you will ask your parents to write a letter of support as well.* Please include in your letter your experience with Mount St. Mary's College, Doheny Campus; the impact it has on the neighborhood and on the city in general; the education it provides its students; its outreach programs, and particularly the need for this new library. There is a forty-five day response period during this public review of the EIR; the **file number is 94-0170-CUZ (ZV)**. Please refer to the file number and send the letter during this public phase, now until October 2.

The Environmental Impact Report is a public document and is available in both campus libraries as well as at City Hall and local libraries in the area (Central, Exposition Park, and Junipero Serra libraries). It would be very helpful if you wrote in support of the library as **planned and designed**. The design is beautiful and the architects have incorporated many of the elements of the Victorian homes typical of the Doheny Campus. **The design also centers the library on the campus without taking any of the open grassy areas and connects the buildings (library, learning center, academic building) for maximum efficiency.**

SAMPLE LETTER

Mr. Con Howe
General Manager
Planning Department
221 N. Figueroa Street
Los Angeles, CA 90012

Dear Mr. Howe:

I write to support Mount St. Mary's College's library-learning center and academic building project being planned for the Doheny Campus (File Number 94-0170-CUZ {ZV}).

Mount St. Mary's Doheny Campus has given outstanding service to the community for more than thirty years and this project will enhance that service. I support the project as designed because I know the College has taken great pains to preserve the architectural integrity of the campus.

Mount St. Mary's College provides a quality education to students from the surrounding area and these students offer volunteer service in many of the agencies in the neighborhood. When students complete their education most go back into the communities and work to improve those areas.

Without the new library-learning center and academic buildings the education of these students will suffer and consequently all of us will be diminished.

Sincerely,

Doherty Happenings

FOOD AND CLOTHES DRIVE:

Did you know that **35,000-80,000 people in Los Angeles are homeless** and sleep on the streets, in abandoned dwellings, or in cars? This was just one of many facts shared by Blanca Gomez from the House of Ruth. She added that there is a growing number of women with children who become homeless everyday. **This is the reason why we sponsor a Food and Clothes Drive.** Please be generous with your donations: non-perishable foods and clean useable clothes. Our donations will go to the Child Development Center, St. Vincent's, and the Missionary Brothers of Charity. The drive lasts until November 21. Boxes are available around campus. Thanks.

FROM THE REGISTRAR'S OFFICE:

Thanks to everyone for their cooperation during our recent "pre-registration" week for A.A.'s. We all agree, it was our smoothest pre-registration ever.

To those of you on a **WAIT LIST...**

1. Class lists will change tremendously between now and the start of term, so if you are waitlisted, don't panic yet; however...
2. The Registrar's Office can let you know of your status in a class anytime (just come by and we'll check on the computer).
3. There will be **WAIT LISTED STUDENTS INFORMATION** posted at Chalon and Doheny, hopefully before finals. Check with the Registrar's Office for details.
4. **WAIT LISTED STUDENTS ONLY** will be able to pick up a computer printout of their classes on the **first day of classes(January 17)** from the Registrar's Office; check the printout to determine your status.
5. Then, go to class for the first meeting and see if your name is on the instructor's list. If it is not, and the instructor says you may add the class, you **MUST** fill out and add/drop form, obtain the necessary signatures(instructor, advisor, your own) and then file it with the Registrar's Office in a timely manner. **You must file an add slip, no matter what the instructor may say.**
6. If the class is too full, and you will not be able to take the class, you **MUST** file a **drop** slip to remove your waitlist units from your schedule; check with your advisor to make certain that the drop will not take you below full time status(12 units); you may wish to add a different class to even out your units.

FROM CAMPUS MINISTRY:

**THANK
YOU!**

***** FROM CAMPUS MINISTRY:

ADVENT:

Before we start making lists of those to whom we would like to send Holiday Greetings, give gifts, etc., let us PAUSE for a moment to reflect on why we are celebrating this religious feast. Remember that the Holy Family was homeless and in great need. In all the bustle and stress that this time of year brings, let us offer others the shelter of kind acts, the "food" of positive conversation, and the gifts of hope and gratitude.

SPECIAL LITURGIES:

On Tuesday, December 5, Bishop Blaire will present to the college community those students who are preparing to receive the sacraments of Eucharist and Confirmation. Please support these candidates and their sponsors by your presence and prayers. This Mass is at 5:00 p.m.

The Universal Church honors Mary, the Mother of God in a special way on Friday, December 8, with the title of Immaculate Conception. Join us at the noon Mass in the college chapel to ask our Mother to help us as we close the first semester and prepare for the coming of her Son.

ACTIVITIES:

On **Saturday, December 9**, you are invited to take time out to serve the homeless in the parks by making sandwiches with volunteers of the Missionary Brothers of Charity. The shuttle will leave campus at **9:00 a.m. and return at 12:00 noon**. Let us remember those less fortunate than ourselves and gift them with our time.

On **Sunday, December 10**, a group will visit Juvenile Hall. The shuttle will leave at **8:00 a.m. and return at 12:00 noon**. In keeping with the expectation of the Advent season, let us bring HOPE to the inmates who need our presence. Sign up at the Campus Ministry Board. IF YOU ARE GOING TO JUVENILE HALL AT ANY OTHER TIME, PLEASE LET SISTER ANGELA KNOW. THANK YOU.

On **Thursday, December 7, from 11:15-11:45 a.m.**, we will have a Campus Ministry meeting to wrap up a very busy year. There will be an informal evaluation. Look on the Campus Ministry Board for place.

THANKS TO ALL FOR THE GIFT OF YOUR TIME AND PRESENCE IN ALL OF OUR ACTIVITIES. HAPPY AND HOLY HOLIDAYS!

GET YOUR BOOKS OFF YOUR BACK:

FROM THE REGISTRAR'S OFFICE:

INSTITUTIONAL DROP POLICY

Effective Spring 1996 the following **Institutional Drop** policy will be in effect:

Students may be dropped from the official class roster of any class they have not attended during the first week of the semester. Faculty will provide the Registrar with the names of any students who do not attend class during the first week of the semester. Faculty may drop these students and admit other students as desired. The Registrar's Office will notify these students that they have been dropped from a class upon receipt of their names from the instructors. **Do not assume that a faculty member will drop you from a course that you know you are registered for and are not attending. They may not. It is the student's responsibility to officially add or drop courses at the Registrar's Office.**

WAIT LISTS AND ADD/DROP

Wait lists are used by the Registrar's Office to place students in classes on a space available basis up to the first day of classes. The wait lists are eliminated as of the first day of classes. Students must add classes during the Add/Drop period (the first two weeks of class) on an Add/Drop form and file the addition to their schedule in the Registrar's Office. Students must also drop classes which they are attending and wish to drop during the Add/Drop period on an Add/Drop form and file the reduction to their schedule in the Registrar's Office.

As a student it is important to know which classes you are registered for and to officially drop any classes that you are not attending. It is also important to officially add any course you are attending and are not registered for at the Registrar's Office. The number of units you are registered for determines your financial obligation for the term and also determines your full or part time status. You must be registered for a minimum of 12 units to be considered a full time undergraduate student. Your full or part time status will affect your financial aid eligibility.

FROM THE ADMISSIONS OFFICE:

On behalf of the Admissions Office I would like to thank those V.I.P.'s and other volunteers who gave their time on November 21, 1995. This was our last "Live...At The Mount" for the Fall Semester and it was a great success. I would also like to take this opportunity to thank all V.I.P.'s, faculty, and staff who helped on these programs. The following people were involved in giving tours and speaking on panels:

YOU!**

A RED-HEARTED "THANK YOU"!

Our heartfelt thanks is expressed to the 32 donors who were able to help the Red Cross at our Campus Mobile last Monday. It was a good showing for us, especially at this busy time of year. Due to the excellent recruitment work of some, notably Holly Charton, we had 46 donors on the sign-up list. Of these, 39 came by the Center. Thanks to all of you for your efforts. Some people will be a little happier this holiday season because of your generous gift of life.

CALENDARS:

Are you still in the market for something for your Kris Kringle or as a "stocking stuffer"? If so, we have now received the two-year calendars we were expecting for the Fair. Please come by Office 4, Bldg. 7 and check them out. They are only \$1.25 and come in four designs. Besides the '96 and '97 calendar, there is also a notepad. They make excellent gifts and you can even treat yourself.

CHRISTMAS FAIR SUCCESS:

The 1995 Christmas Fair was the best table participation we have had at Doheny. Almost twenty people asked for tables to share their talents and gifts and to add to the general holiday spirit. Thanks to each of them -- and to all of you who came to buy and admire the work of others. Remember to start now to prepare for next year. Also start saving your money too.

-- Sister James

Before we start making lists of those to whom we would like to send Holiday Greetings, give gifts, etc., let us PAUSE for a moment to reflect on why we are celebrating this religious feast. Remember that the Holy Family was homeless and in great need. In all the bustle and stress that this time of year brings, let us offer others the shelter of kind acts, the "food" of positive conversation, and the gifts of hope and gratitude.

The Leadership Office is offering two exciting opportunities for you to learn more about Leadership and how “you” can make a difference. The first 1-unit course is **Leadership, Women and Work (SSC016C)**. This course meets on Wednesdays from 12:40-1:40 p.m. and offers students an opportunity to explore, evaluate, and improve leadership skills while also preparing for future career searches.

Secondly, all students are invited to participate in the **Women’s Leadership Conference (SSC016B)**. The theme for this year’s conference is **THE LEGACY AND FUTURE OF LEADERSHIP CONTINUES WITH YOU!** The dates are **March 22-23 at the Doheny Campus**. The conference will be skill-oriented, with hands-on opportunities in team building, communications, conflict resolution, group dynamics and stress and time management. There will be pre and post conference meetings for all participants. Stay tuned for Leadership Day.

More information is available on either class at the Leadership Office, the Registrar’s Office, or your advisor.

FROM THE CHILD DEVELOPMENT CENTER:

THANK YOU!

The Staff, Families and Children of the Child Development Center would like to thank **Militza Marin and Beth Klepper of the Human Resources Department** for organizing the wonderful craft and bake sale. Also, to everyone who sold or purchased Treasures. The children enjoyed taking a field trip to the Chalon Campus. The proceeds of the sale will directly benefit our children. The Mount St. Mary’s Child Care Scholarship Fund has been established.

We would also like to thank Campus Ministry led by **Gail Gresser** at Chalon and **Sister Angela Mesa** at Doheny for the marvelous spirit of Christmas shared with our children. With the hard work of **Anna Perez** on the Chalon Campus, toys and clothes were given to every child at the Child Development Center. Every child was “adopted” and the gifts were absolutely fantastic. With the kindness of faculty, staff, and students, the holidays of 64 children were brightened. Thank you very much.

FROM THE PHYSICAL THERAPIST ASSISTANT PROGRAM:

Twelve students from the PTA Class of 1995-1996 attended the California Chapter of the American Physical Therapy Association (APTA) recent state conference held October 27-29 in San Diego. **Connie Carlson, PTA Program Director**, was also in attendance. The students who attended were **Arnel Angeles, Arthur Armada, Dennis Puno, Linda Ferguson, Jane Fernandez, Beata Jeske, Elaine Kirby, Donna Sferra, Lisa Spencer, Daisy Torneros, Annalee Villafuerte, and Cassie Woods**.

The students attended various workshops provided throughout the conference. They also visited the Exhibit Hall to gather information on equipment and supplies used in physical therapy departments and to speak to recruiters from facilities around the state. The students represented themselves, the program, and the college in an appropriate and professional manner throughout the conference.

Arthur Armada served as the **PTA Program Student Representative**, and **Connie Carlson** served as an **Alternate Representative for the Greater Los Angeles District** at the California Chapter APTA Assembly of Representatives on October 28 and 29. Arthur commented about how much he enjoyed being a part of the democratic process evidenced during the Assembly meetings by all of the motions and amendments brought forth, the lively discussion, and the parliamentary procedures utilized by the Assembly. He spoke of how much he appreciated the opportunity to participate openly and without repercussion as this is not the case in his country of birth. Perhaps we in the United States to often take our freedoms and citizenship rights for granted?

FROM ISAE:

ATTENTION ISAE STUDENTS: The Spring Semester is here, and ISAE has many exciting events and workshops planned. Some of the events we will be attending include: "Creative Options" a Woman's Conference at Cal Lutheran University; "Kiss of the Spider Woman" at the Ahmanson Theater; and the African American Alumni Career Dinner Panel at Chalon. Don't wait; space is limited for many of the events.

ATTENTION ISAE SOPHOMORES: Are you interested in becoming a peer advisor to ISAE students? An ISAE peer advisor supports, guides, and assists program students in their academic and leadership pursuits. The qualifications are (1) must be ISAE student, (2) sophomore status, (3) a minimum of 2.5 cumulative grade point average, and (4) leadership and/or community involvement. Interested students should pick up an application and make an appointment for an interview in Bldg. 7, first floor or call (213) 746-0450, Ext. 2157.

FROM CAREER PLANNING:

Have you ever wondered what career path MSMC Alumni have taken to get where they are now? Have you ever wanted to ask these former students questions such as:

"What steps did you take to get where you are with your career?"

"If you had to plan your career over again, what would you do differently?"

Well, now is your chance to ask MSMC Alumni these burning questions by attending the **African American Alumni Career Dinner Panel, Thursday, February 13, from 5:00-8:00 p.m.** The American Advertising Federation and The Accounting Association is also organizing a Career Awareness Dinner Panel, **Thursday, February 29, 5:00 p.m.**, in the Pompeian Room in the Mansion. Stop by the Career Center and sign-up for these events as soon as possible; space is limited.

FROM THE ADMISSIONS OFFICE:

On Thursday, February 15, the Admissions will be hosting its first Live...at the Mount program for Spring '96. We hope that you will help us in welcoming prospective high school students to the campus. **The program will begin at 11:30 a.m. and will conclude at 1:15 p.m.** There will be seven schools attending: Belmont H.S., Foshay, Los Angeles H.S., LACES, Regina Caeli H.S., San Gabriel Mission H.S., and St. Mary's Academy H.S. Live...at the Mount has the mission of exposing students to the possibilities that are available to them, once they graduate from high school. If you would like to help and you are not a V.I.P., please call Lupe Chacon at Ext. 2110. Your cooperation is greatly appreciated.

FOR YOUR INFORMATION

Attention all students! Foshay Middle School is interested in your help for 2-4 hours per week as volunteers in their after-school program. This is a great opportunity to be of service to the community, to learn from hands-on experience working with youth, and to enhance your resume. If there is enough student interest, we can arrange for a shuttle to take a group on an afternoon of agreed upon choice (or several afternoons, depending once again on student response). **Saturday assistance is also welcomed.** The Hewlett Foundation Program at Mount S. Mary's is sponsoring this neighborhood initiative. **We need you** and it's not too late to sign-up! Please contact Professor Sandra Bunce in the Department of Sociology at Ext. 801 (Chalon Campus). She will coordinate with Foshay and try to meet your transportation needs.

An Announcement to Future Teachers or those thinking about going into the Educational field:

TRIRHO is an organization that will promote a better understanding of the Educational system; provide information on issues affecting the school system and the students; a support system for students entering the Educational program and related fields; and an opportunity to do community service and help children in need. If you are interested, please leave a copy of your class and work schedule with your name and phone number in the Education Department, House 20 (the pink house) with Sister Katie, or Vera Rios in McIntyre.

FROM THE FITNESS DEPARTMENT:

It's that time of the year again! Put the books aside and get ready to have some fun! It's time for the annual **Athenian Day**. This annually sponsored event brings the entire college community together for a day of recreational and competitive bliss. It will be held on the Chalon Campus, on **March 2, from 9:30 a.m. to early afternoon**. The silly and unusual team games planned are The Tryke Trek, an obstacle course, Diving for Fruit, Great Aunt Mae Relay, and Pass the Bucket. Lunch and Athenian Day souvenirs will be provided for each participant.

We are encouraging all students, faculty, staff, and alumni to participate on the teams. The only requirements are that each team member must be affiliated with the college and no more than two member of the team be male. Physical fitness or athletic abilities are **not** necessary for success in these outrageous events.

Also, please plan to join us for the annual Pep Rally Spaghetti Dinner on **Friday, March 1**. More details at the team meeting. If you have any questions, feel free to contact the Fitness Center at (310) 471-9895. Entry forms are available in the Fitness Center and due by February 16.

FROM THE DEAN'S OFFICE:

If you are approached by anyone from outside the campus asking about our campus facilities (such as the library, bookstore, Learning Resource Center, etc.), **please refer them to the Dean's Office or to Sister Edward Mary in Building #10.** It is very important that we provide precise information about our campus facilities.

Your cooperation is very important and greatly appreciated!

FROM THE ADVISEMENT CENTER:

CHALON TRANSFERS:

Chalon transfer forms will be available in the Advisement Center beginning **Wednesday, February 21. Please observe the following steps:**

1. Pick up your Transfer form from the Advisement Center.
2. Make an appointment with your advisor to check that you have 24 transferable units and a 2.25 G.P.A. Ask your advisor to sign the copy.
3. Make an appointment with the Registrar, who will readjust your G.P.A. after subtracting your non-transferable units.
4. If you are planning to be a Liberal Studies major at Chalon, you need to get the signature of **Sister Kieran Vaughan**, who is the Coordinator of the Liberal Studies Major. If you plan to be a Nursing major, you need the signature of the chair of the Nursing Department (**Dr. Marjorie Dobratz**).
5. Take your form to the **Sister Carol Brong**, who will verify that you have passed all the proficiency tests.
6. Bring your form to **Sister Therese** in the **Advisement Center**.
7. **Please do these steps in the above order. Good Luck!**

CHALON TRANSFER STUDENTS:

If you are planning to transfer to Chalon for Fall '96 and have a G.P.A. of 3.0 or higher, ask your advisor for a Chalon Transfer Award Application. This award can provide substantial financial assistance and may be renewed if you are enrolled full-time and maintain a minimum 2.75 G.P.A. after transferring.

FROM CAMPUS MINISTRY:

LENT:

Normally for many of us raised in the Catholic tradition, Lent means giving up something or making sacrifices. Lent really means "springtime" and beginning with Ash Wednesday, we are provided with the opportunity of "sowing the good seeds" of kind acts in our approach to Easter.

ASH WEDNESDAY MASS will take place in the LECTURE HALL on **February 21, 5:15 p.m.**

Ashes will be distributed during Mass. St. Vincent's schedule of Masses/Ashes will be posted outside the Chapel and in Bldg. 4. In keeping with the spirit of the season, look for Lenten practices in the Chapel and in Bldg. 4. A worthwhile Lenten project will focus on children, the most vulnerable of our population. Please check Campus Ministry bulletin board.

BIG BEAR RETREAT:

Please keep the Confirmation candidates and sponsors in prayer as they discern this part of their journey. Mark your calendars for **CONFIRMATION: April 14, 2:00 p.m.**, at **Chalon Campus**. All are welcome.

POLITICAL ACTION GROUP:

Come join the small group on **Thursday, February 22, at 5:00 p.m.**, in Campus Ministry. We will plan voter registration and share information regarding timely issues. All are welcome.

THANKS TO ALL WHO PARTICIPATED IN THE MANY FEBRUARY EVENTS:

Valentines for Juvenile Hall; food preparation for the Shelter and for the homeless in the parks/alleys; visiting Juvenile Hall; and to those who went to STAR training at Loyola.

GRADUATE ALERT!

With the Spring Semester well underway, our thoughts turn to graduation and the early planning of that event. Mark your calendars today:

- Thursday, May 9** - GRADUATE HOODING for Masters students, Doheny Campus, 8:00 p.m.
- Friday, May 10** - LAUREL DAY, hooding for the Associate students, Doheny Campus, 5:00 p.m.
- Saturday, May 11** - COMMENCEMENT LITURGY, hooding for Baccalaureate students, Carondelet Center Chapel, 10:30 a.m.
- Saturday, May 11** - COMMENCEMENT for *all* degrees, Chalon Campus, 2:00 p.m.

Traditionally, the COMMENCEMENT (or graduating ceremony) is held for all degree recipients of MSMC. The ceremony takes place in the Circle area of the Chalon Campus. A practice is held on the Friday before at approximately 10:30 a.m. It is not mandatory to attend. Each DEGREE GROUP has its own HOODING, a ceremony when the candidates receive the symbol of their degree from the President of the college. As noted above, the ceremonies are at different times and places-- the Masters and Associates are at the Doheny Campus, where most of their coursework has taken place, while the Baccalaureate students' ceremony is at the Chapel of Carondelet Center (just down the hill from the campus).

More information will be coming to each graduate in the next few weeks in the form of a packet. If you do not receive yours by March 1, please contact Sister James Marien at the Doheny Campus.

FROM THE AMBASSADORS OFFICE:

The next training session will be held on **February 24, 1996, from 9:00-10:30 a.m.** on the Doheny Campus. Please plan on attending this all-important training session.

FROM THE ECOLOGY CLUB:

The Ecology Club will have its next meeting on **Tuesday, February 27, 11:15 a.m.**, in the Gazebo. We will be discussing activities for the month of March and our field trip to Topanga Canyon on March 3. There will be sign-up sheets for those interested in going. The club will also be participating in the community clean-up and mural painting, sponsored by Temple Baptist Church on **February 24**. Anyone interested in joining us, please meet at Temple Baptist Church on Estrella Street, at **9:00 a.m.** on the 24th. It will end at 1:00 p.m. All are welcome.

FROM THE ASSOCIATED STUDENT BODY:

ASB would like to thank all of those who attended the Winter Ball on Friday, February 16. *It was a huge success!*

Different material will be reviewed in each session, so it's best to plan to attend both. The handouts at each session are \$2.00.

FROM ISAE:

ATTENTION ISAE STUDENTS:

You **do not** have to be an applicant for the APHE Scholarship to attend the AHPE Conference and Career Faire on **Wednesday, March 6**. If you are considering applying for this scholarship next year or if you want to do some career exploration, this is the conference for you. This Conference provides workshops to help you acquire competitive skills, increase your job market opportunities through summer jobs and internships, and increase community awareness and involvement by holding this major Hispanic Career Faire in Southern California. We will also be writing letters to faculty members to let them know how important this event is and the reason ISAE students may have to miss classes. Come visit the Career Planning Center in Bldg. 7 and sign-up as soon as possible; space is limited.

FROM CAMPUS MINISTRY:

MISSIONARIES SHARE:

Please join us this evening at the Mansion to hear the life experiences of SISTER TERESA AVALOS and SISTER JEANNE JANSSEN, missionaries of Peru and Japan. We will begin with dinner at **5:30 p.m.** followed by prayer and then the Sisters' presentations. PLEASE RSVP to Campus Ministry.

SOCIAL ACTION CLASS INVITES:

On **Tuesday, February 27**, all are invited to class in Room 208A for a presentation on AGING from local experts! Since all of us are engaged in this process, this should prove interesting, especially coming from our very own sages. Class starts at 1:50 p.m.

LENTEN PRAYER SERVICE:

Every Tuesday at 5:00 p.m., right before Mass, we will have a ten minute prayer service to encourage us in our Lenten Journey. Please join us.

Take Note of Lenten practices in the baskets in the Chapel and in Bldg. 4. Take and follow the creative suggestions to help make Lent a meaningful and positive experience.

As we move into the month of March, please check the Campus Ministry Board for the many exciting events.

FROM THE DEAN'S OFFICE:

Belated ***Congratulations*** to **JENNIFER ALLANDE**, whose excellent grades from the Fall 1995 Semester qualified her for inclusion on the Dean's List. We regret that Jennifer's name was omitted from last week's list.

If anyone else was inadvertently excluded from either the Dean's List (3.5 GPA or better in 12 letter-graded units) or the Doheny Honor Roll (3.00-3.499), please contact Lisa Melou in the Dean's Office, Bldg. 10. We want you to receive the recognition you deserve!

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

STEP (Early Warning) Notices will be given to any student who is having any type of difficulty in her classes--absenteeism, poor preparation, missing assignments, etc. *The student does not have to be failing at this point*, but a STEP Notice alerts her that she is in danger of doing poorly. STEP Notices have been very effective in motivating students. It also gives the instructor an opportunity to talk to the student and direct her to means of assistance. If you receive a STEP Notice, **talk to the instructor** about how you can improve your work in the class. You can also visit the Learning Resource Center and speak to **Sister Carol Brong** about the assistance available to you there. We are all here to help you *succeed*.

Transfer of Credit Clearance

SUMMER SCHOOL: If you are planning to attend a Summer School other than MSMC, you need to do several things before registering for your class(es).

1. Decide what you will take and where you will take the class(es). (Ordinarily, a student does not take more than 6 units in summer.)
2. Verify that those courses are going to be offered. Most of the community colleges will have their schedule ready soon. Some of the 9 L.A. Community Colleges (ELAC, LACC, Valley, Harbor, West, Southwest, Trade-Tech, Pierce, Mission) will NOT have them ready until later. Most summer sessions begin around June 29. Phone the college(s) of your choice now and ask them if the course(s) will be offered: if the registrar can't answer, try the department; also request an application for student enrollment and a class schedule of SUMMER SESSION. (These are not available in the Advisement Center.) At many colleges you must do the student enrollment before you are able to register for classes. Do so soon.
3. Get a Transfer of Credit Clearance form from the Registrar's Office/Advisement Center. Check the policy regarding taking classes elsewhere, after enrollment in MSMC. PLEASE follow the policy.
4. Check with your Advisor/Advisement Center to be sure that the courses are TRANSFERABLE to MSMC and SATISFY what you intend to do.
5. If you are taking two classes, you may indicate BOTH classes on the same form. Please help us to prevent waste and also help to "save the trees".
6. Get your advisor's signature; if the course(s) is/are to satisfy program requirements, you will need your program director's signature in #1 of the form.
7. In filling out the section for title and course number, please fill it out correctly. If you need assistance filling this out please ask someone in the Advisement Center.
8. PLEASE BE SURE TO DISCUSS YOUR PLANS WITH YOUR ADVISOR; do not presume that classes taken off campus will be accepted by the college.
9. Before bringing the form to the Advisement Center, make sure you have ALL of the necessary signatures. Be sure that you do the paperwork BEFORE you enroll in a class off campus. Until the form has been completed, reviewed by the Director of Advisement, and signed by the Dean of the Campus, you cannot be sure that the course is approved.
10. If you cannot complete the necessary paperwork before May 10, you may do so when the information is available. If you need to do your paper work after May 10, please be sure to phone and confirm a time to meet with your advisor and/or Sr. Therese before coming on campus.

Thank you for your assistance in processing the Transfer of Credit Clearance forms. PLEASE SAVE THESE DIRECTIONS for future use.

Please circle.

FROM THE ASSOCIATED STUDENT BODY:

The Associated Student Body thanks all the students for coming to the Block Party. It was a huge success!

Thursday, May 2 - ASB's Cinco De Mayo Celebration from **11:00 a.m.-1:00 p.m.** in front of the cafeteria. There will be entertainment, food, and fun. All are welcome.

WE WISH ALL THE STUDENTS GOOD LUCK ON YOUR FINALS!

FROM THE REGISTRAR'S OFFICE:

First of all, **CONGRATULATIONS** to all of our graduating Sophomores! May your futures be without limits.

Now, a word about **DIPLOMAS**...Diplomas will be ready approximately **July 1st**. Most all of you signed a "Diploma Dispersal Form," which indicated that you would like your diploma mailed, or that you would come to pick it up in person. Please check with the Registrar's Office after the second week of July (to allow for any delays) to see if they have arrived yet. If you participate in the May graduation ceremony, you will receive your diploma holder then. If you do not participate, you **must** let the Chalon Registrar's Office know so that you will be able to get a holder.

Also note, if you have any financial obligations remaining, your diploma will not be released until you pay them.

LASTLY...be sure to inform the Registrar's Office of any changes of address or name as soon as possible. Many of you will be leaving the dorms, so we'll need your new "local" address. Thanks very much!
